Helping outsiders become insiders

The Church exists, not to glorify itself, but to point sinners to Jesus. The Church does not exist to Judge people and to determine who will go to Heaven and who won't. Judgement belongs to God and God alone. The strange thing is, some Persons have

set up themselves as Judges in the Kingdom. The bible declares that the time will come when judgement will begin at the house of God. 1 Peter 4:17, "For the time is come that judgment must begin at the house of God: and if it first begin at us, what shall the end be of them that obey not the gospel of God?"

Studies indicate that 17 out of 20 churches are not growing, yet Jesus' command to the Church was to "go and make disciples." There are three reasons why every church needs to be concerned with growth and assimilation.

1. *There are many who have never heard the good news that Jesus loves them and that His church is for them.* In Luke 14:23 the Master said, "Go out into the country lanes and out behind the hedges and urge anyone you find to come, so that the house will be full" (TLB). Jesus revealed His mission in Luke 19:10: "For the Son of Man came to seek and to save what was lost" (NIV). Jesus is concerned with our making outsiders into insiders. We must target lost people with bridge events that will connect and encourage them to visit our churches. Then we must have an assimilation strategy to retain those who visit. Studies indicate that when a church does not have an intentional strategy for assimilation, 91 percent of visitors will not return and become part of the church. Many of these will also be lost to Christ's kingdom.

2. *There are many who, after hearing and accepting the good news of Christ, are leaving the church through the back doors.*

A study by *Servant Magazine* indicated that every week over 53,000 people leave the church and never return. These people are not only lost to the church, but possibly for eternity.

Proverbs 27:23 says, "Be sure you know the condition of your flocks, give careful attention to your herds" (NIV). The diligent shepherd in Luke 15 illustrates how concerned we need to be for those who are lost to the kingdom of God.

3. There are many former church attendees and Christians in our communities.

When people move, they often do not join a church in their new community. How can we help visitors who attend our church move from being outsiders to insiders?

John Maxwell says, "A visitor is the most important person that attends church on Sunday. His attendance has been motivated by a friend or a deep need. He brings his hurts, questions, and apprehensions. He looks for warmth, acceptance, and smiles."

What causes people to assimilate into a church? It is relationships. Our assimilation ministry must help guests establish relationships with people in the church, to move from being outsiders to being insiders. Robert W. Jeambey reports that 43 percent of all people who leave congregations do so because of "nonacceptance and unrelatedness."

When visitors walk through the door, they will decide in a short space of time whether they will take you seriously and whether they will return. It is vital for Leaders and Pastors in the church to be prepared to receive visitors. The entire membership needs to meet visitors and help them get acquainted and involved in relationship building in the church. This is not the ministry of a few select people. This philosophy needs to be reinforced often and so our Pastors are challenged to make sure that this happens.

People must feel loved and wanted when they enter our doors. The entire membership needs to be galvanized to accept and embrace visitors when they make an effort to visit our Church. No one should tell a visitor or another member that you are sitting in my seat. All the seats belongs to God. If however, a member wants a specific seat, that member should try to arrive early to Church.

Some people do not return to your Church, because they were driven out, while others do not return because there was no love and warmth. The worship might have been good, but they saw that it was only a show. It was not meaningful. They did not see walk and talk lining up. If these things are not seen, we will have a difficult time, helping outsiders become insiders and our Church will continue to lose members.

Moravian Church, Eastern West Indies Province Mission Report 2012

Acts 16:9-10 says, *during the night Paul had a vision: there stood a man of Macedonia pleading with him and saying, 'come over to Macedonia and help us'.* When we had seen the vision we immediately tried to cross over to Macedonia, being convinced that God has called us to proclaim the good news to them."

Now that we have crossed over we are committed to doing just what God has called us to do: make disciples of all people. Yes, we know there will be challenges; however, we are determined to stay on the wall until everyone that God has called, are ushered into His kingdom. We are heartened to be a part of the few who will carry the burden. We are encouraged by the fact though, that His yoke is easy and His burden is light.

The 2012 Mission Report, will highlight what we, as a Province have been engaged in on the Mission Field. It will speak to:

1. The Grenada Mission
2. The St. Maarten Mission
3. The Tortola Mission
4. The World Wide Mission
5. Mission in our own Communities

Grenada Mission

The Grenada Mission continues to be a source of inspiration for the Province. The Tobago Conference must be highly commended for playing the lead role in this Mission. The Province continues to play its part in encouraging, praying for and assisting financially to the growth of the Mission.

The St. Kitts Conference being led by the Holy Spirit was moved to send its Ministerial Staff to Grenada to assist and support the work there. In addition, Mission Teams have travelled from St. Kitts to do community work and to strengthen the work. Some persons from the Antigua Conference have also engaged in the work in Grenada. Visits like these should be encouraged from time to time. This is worthy of commendation. The Province continues to support the Mission by contributing a minimum of EC\$4,000.00 monthly to maintain the Missionaries in Grenada. This is a step of a Faith and we are confident that He who began a good thing in us will see it to completion.

**30th Anniversary Service for
Rev. Dr. Cicely Athill-Horsford by
Bro. Glynne St. Hill**

A special church service to mark the thirtieth anniversary of the ordination of the Rev. Dr. Cicely Athill – Horsford was held on Sunday September 23rd 2012 at the historic Mount Tabor Moravian Church, St John, Barbados at 5.00 p.m.

The service was attended by a congregation of over two hundred and seventy five persons who included the parliamentary representative for the parish of St John, Mrs. Mara Thompson; Senator Andre Worrell from the nearby village of Sherbourne; the Opposition's candidate for the parish, Mr. Hudson Griffith; the Chairman of the P.E.C, Rev. Dr. Cortroy Jarvis; representatives of the Barbados Christian Council; clergy from the areas around Mount Tabor; members of the "Talk your Talk" Priest, a radio programme on national radio (CBC); fellow Moravian clergy and representatives of their congregations; the Principal of the Mt Tabor Primary School, as well as members of the Mount Tabor and Penuel congregations.

The service began with an introit – "Lead me Lord, lead me in my righteousness" from the Moramus Singers of Barbados with the Sisters bedecked in their bright red bodices and black skirts supported by the Brothers in their white shirts, black pants and coloured ties, during which the Rev. Dr.

Cicely and family had entered the church and were seated.

The Chairman for the evening's proceedings was Rev. Ezra Parris, Secretary of the PEC and the Pastor of the Sharon/Dunscombe congregations.

The first Hymn – "Praise to the Lord Almighty" was lustily sung by the congregation and this was followed by a special liturgy led by liturgist Rev Movelle Kellman.

A welcome was then extended to all present after which a long standing member of Penuel congregation,

Bro. Elliott Brewster paid tribute in song followed by Mr. Kenneth Armstrong a friend of the organizers of the service.

A specially formed combined choir consisting of all the fellowship groups of the Mount Tabor then gave two musical renditions one of which was "My Jesus I love thee." During the singing of the second rendition "Can't give up

now," one of the young people, walked slowly up the aisle and as the choir came to the end of one of the verses, the music was placed on pause as she presented Rev Dr Cicely with a bouquet and admonished her "you can't give up now."

The Scripture Reading chosen - 1 Samuel 12 verses 1-4 was read by her brother Stanley Warner. After which one of Rev. Cicely's favourite Hymn "Facing a task unfinished" was sung by the congregation whilst an offering was received.

One of the leading gospel singers in the island, Ms. Paula Hinds then paid tribute with two well received songs. The Church Choir then made their contribution in song, which preceded a powerful sermon from the Chairman of the P.E.C. in which he encouraged Rev. Cicely to look back but ignore any comments on where you came from; examine the present and prepare for the future. He also admonished her to keep her ears close to the ground, show love to everyone and maintain her honesty and integrity. The sermon was punctuated with many anecdotes which kept the congregation very much awake and yearning for more.

At the conclusion of the sermon, the Moramus Singers responded by performing the anthem, "My Shepherd would supply my needs."

Gifts of appreciation were then presented from the sister congregations, groups and those from Mount Tabor with the appropriate speeches. Rev Dr Cicely then humbly responded and stated that she will not be giving up in response to the second rendition from the Combined Choir.

The closing hymn – "***Make me a captive, Lord***" appropriately summed up the evening's service after which the Benediction was pronounced.

**Brief Report on Thanksgiving Service for
Rev. Ezra Parris and Rev. Julie Joefield-
Parris by Rev. Movelie Kellman**

The Moravian Church Barbados Conference celebrated with Rev. Ezra Parris and Rev. Julie Joefield Parris in a Thanksgiving Service in honour of twenty years in Ordained Ministry and twenty one year's respectively. The Service was held at the Sharon Moravian Church on Wednesday, 12th September 2012.

The Sermon was preached by Rev. Winston Jones and he challenged them on the text 2nd Samuel 7: 18, *"Who am I, O Lord God? And what is my house that thou hast brought me hitherto?"* The Service was conducted by Rev. Dr. Cicely Athill-Horsford and all ministerial staff participated in the service. Greetings were read on behalf of the Province and the Conference.

Two Conference choirs, the Moramus Singers and the Moravian Disciples paid tribute in song, in addition to joint selections from the Sharon New Generation Ministries and Dunscombe Youth Fellowship, and the Sharon and Dunscombe choirs. Appreciation was expressed by the Pastorate and the entire conference.

The service was well attended and was very well received.

Rev. Ezra Parris is the Pastor of the Sharon and Dunscombe Moravian churches and Rev. Julie is the Minister of Christian Education in the Conference.

**Congratulatory Message to the
Rev'd's Ezra and Julie Parris
by Rev. Dr. Cortroy Jarvis Chairman of PEC**

Earl Nightingale once said, "The Key that unlocks energy is desire. It's also the Key to a long and interesting life. If we expect to create any drive, any real force within ourselves, we have to get excited." I believe that desire was at the heart of the Rev. Ezra Parris. He has a desire for God in his own unique way.

Today, we thank God for Jesus and the blood that heals and makes us whole. We thank God for the transforming message of the Gospel of Jesus Christ, has made a difference in the life of Bro. Ezra Parris. The Eastern West Indies Province has been richer for the unselfish service offered by Bro. Parris.

Bro. Parris had his formative years as a Pastor in Antigua, where he served with distinction. He has left a void in Antigua, since he left when he accepted a call to serve in Barbados.

Whenever he comes back to Antigua, he is well sought after, because of the impact he made on the lives of so many persons.

He is very sound theologically and he takes his time and prepares well in whatever he is doing. He has served on the Provincial Board (PEC) for many years and was recently reelected at the 30th Provincial Synod.

Bro. Ezra Parris is also a family man. As Chairman of PEC, I had the distinct honour of being the officiating Pastor at his wedding when himself and Sis. Julie Parris were united in holy matrimony at the Montgomery Moravian Church in Tobago. Bro Ezra and Sis. Julie are very close to their family and have led by example.

The Barbados Conference and indeed the Eastern West Indies Province are richer for having such a wonderful couple as Pastors within the Church. To both of you I say, Continue to connect and reconnect to persons within and around the community. Continue to call the community of faith to make itself relevant where it is planted. Continue to let others know that the Church does not exist in a vacuum. It has to minister to real people as they face the challenges and the vicissitudes of life.

I challenge you, never to lose your zeal and determination to tell people of the love of God, through Jesus Christ. At a time when crime, violence, gangs, drugs, selfishness and anti-social behavior have surrounded us, you must continue to be the 'Salt of the Earth'

Our young people are crying out for guidance and are looking for role models.

You must be that model. You need to model before our people, what God would have them to become.

On behalf of the Eastern West Indies Province, we wish you every blessing as you celebrate this milestone in your Ministry. Bro. Ezra and Sis. Julie, as you celebrate 20 and 21 years in Ministry respectively, remember that God did not call you, for you to turn back. The journey has just begun. Congratulation and may God Bless you more than you can ever imagine. Congratulation my Brother and Sister!!!

Best Regards

and the first Worship Service was held on January 15, 2012 when Sis. Hyacinth Taylor and Sis. Olga Baird-Joefield were installed as Missionaries to Grenada. We give God thanks for the support from all Conferences to see the building reach to where it is today. The Virgin Islands Conference must be commended for providing the financial support to assist with the Restroom and electrical wiring.

It is with a sense of Joy to report that the Fellowship has received its Drum Set, Guitar and Key Board. A word of thanks must go out to all Synodals for the wonderful contribution made during the 30th Provincial Synod and the Cedar Hall congregation in Antigua. What is even more exciting is that God has positioned three (3) musicians, who were not members of the Fellowship, to offer themselves to play and to teach others to play. We give glory to God.

St. Maarten Moravian Church

The St. Maarten Moravian Church continues to be a collaborative effort between the EWIP and the Suriname Province; however, it is being administered by the Suriname Province. The EWIP is responsible for the English language service on the third Sunday of each month. The Church has grown since it got its own building. It has an average attendance at worship of sixty (60) persons. There is a membership of approximately eighty (80) persons. At present, the Chairman of PEC is the lead person from the EWIP, assisted by Bro. Errol Connor and Bro. Elroy Christopher.

Classes are being held every month to help to develop the Lay Leadership and eventually some Assistant Ministers for the Church. Classes are conducted in Mission, Evangelism, Leadership, Worship, Community Building, Bible and Counselling. The members are very enthusiastic and eager to be involved in the life of the Church.

Tortola Fellowship

The mission on Tortola had its high and lows throughout the period. The congregants must be commended for their steadfastness in the midst of change and unsettling times. In 2009-2010, Rev. Vankys Isaac as resident pastor worked hard to ensure that the some critical administrative plans were done in preparation for the construction of the sanctuary. Under the assiduous leadership of Rev George Bedford as interim Pastor, the construction of the first phase of the sanctuary was completed. This was done without acquiring a loan due to the prudent stewardship of the fellowship over the years, the support of the Conference and the congregations. The congregation is now ready for a resident Pastor to continue to strengthen the

pastoral care of members and to reach out to the un-churched in the community so that it can achieve congregation status in the new period.

The Tortola Fellowship will dedicate the first phase of its Sanctuary for worship on November 11, 2012. We rejoice with this Fellowship and look forward to great things happening there.

The World Wide Mission

We continue to partner with the world wide Moravian Church in the Mission work by contributing annually to:

- President's Travel
- President's Office
- Unity Fund
- South Asia (China, India and Nepal)
- Star Mountain
- Unity Archives
- Unity Mission & Development Fund ...(Where the mission work in new areas of Africa like Malawi, Zambia, Eastern Tanzania and Zanzibar, Congo, Kenya, Uganda, Burundi, Rwanda are being assisted. In addition, the fight against HIV/AIDS is on the agenda of the Church and some of our funds assist in this fight. The Moravian Church is growing fastest in Tanzania and so there is always the need to support the work there. The work in Cuba continues to be a source of inspiration and is also being supported from our Mission Funds).

Mission in our own Communities

Some congregations have adopted needy families; give scholarships to successful children. Others have decided to feed the homeless and shut-ins. Some congregations have opened Mission centres for the distribution of food-stuff and clothing.

Most Conferences have begun to use the mass media for the proclamation of the Word of God, however, there are too many cases where both Radio and Television is available to us and we refuse to take up the offer for lack of adequate preparation. This is a tragedy. No Pastor should ever stand before the people of God unless he/she is prepared by God. Whether there is Television or Radio present at Worship, we should always be prepared to feed our people with FRESH BREAD. Let us seize every opportunity to touch our communities for God.

Academic Education has also been one of the goals of our church and the Early Childhood Care plays a significant part. We commend all of our congregations that continue to Minister through Pre Schools. High Commendation must also be given to the Trinidad and Virgin Islands Conferences for the continued Ministry through Day Schools.

Ministry to Government Schools has continued in the form of Religious Instructions on a weekly basis in some Conferences. Every Conference needs to do all it can to impact our young people for good.

There has to be a role for the Church to help to Educate and Empower our people. The idea of the **Mathematics Enrichment Program** has gone well and will be continued. Most of those persons, who were part of the program, were successful in their CXC and CAPE Exams. These are very exciting times for our Church and this program has really inspired us to go forward with more determination.

The Memorial congregation in St. Thomas started a Sunday school in a government housing community named Kirwan Terrace. At present there are twenty seven (27) children who attend the three classes every Sunday evening. We give thanks that Memorial has led the way for others to follow.

We thank God for his unfailing mercies and for standing with us, assuring us when we were not able to help ourselves. The journey continues to be long and exhausting sometimes. God has been our rock and stay and He has brought reassurance and comfort as we sought to do His Will. Our Mission is to continue on the Mission Field until He comes.

Getting the Pieces right

A Father wanted to read a magazine, but was being pestered by his daughter. To keep her busy, he tore a sheet out of the magazine that had a picture of the world printed on it. He tore the picture into small pieces and said "Here, now go into the other room and see if you can put this picture of the world back together again."

A few minutes goes by and his daughter appears in the room and hands him the picture all correctly fitted together.

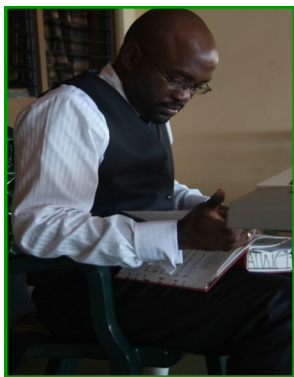

The father was surprised and ask her how she was able to fit all those little pieces of the world back together again so quickly.

"Oh," she said, "On the other side of the paper was a picture of Jesus and once I got Jesus in the right place, then the world came out alright."

Hymn of the Month– October, 2012

Mikie Roberts (Rev) Chair, Provincial Hymnal Committee.

Over the next three months as we continue observing within the Province our hymn of the month, we will give attention to the following three (3) hymns. The hymns are:

Go forth, find Christ, be freed from sin is the hymn of the month for October as we observe Missionary Lovefeasts in most of our Conferences. In the trial hymnal it is **#211**. The recommended tune is also the set tune which is **ST. CATHERINE** (the tune that is usually used for Faith of our fathers). This is one of the new hymns that have been added and it was written by Rev. Roslyn Hamblin of the Barbados Conference.

Our hearts and voices lets us raise (# 596) is the hymn of the month for **November**. In the trial hymnal it is **#643**. The recommended tune is also the set tune **CHURCH TRIUMPHANT**.

All for Jesus is the hymn of the month for **December**. This hymn as well is new to the trial hymnal and it is **#68**. The words and music for this hymn will be circulated in the near future.

The Provincial Hymnal Committee is now moving ahead to establish Editorial Sub-committees in each Conference. They will be charged with the responsibility of ensuring that the words and punctuation of the various hymns are correct. We continue to seek your prayerful support as we move ahead each month to the goal of producing our Caribbean Moravian hymnal.

Here are the words for the hymn of the month for **OCTOBER**:

Go forth, find Christ, be freed from sin;
Too long from God our hearts have roamed;
He bled and died our souls to win,
He offers now a heavenly home;
He bids us seek him, he is near;
Make him your Saviour, friend most dear.

Go forth, live Christ, the Saviour true,
Our Christian virtue all must see;
He gives example clear and pure;
Now his exemplars we must be
He bids us shine through all the earth
To draw the world to this new birth.

Go forth, share Christ, good news for all
His Word proclaims and our lives restate;
Commissioned thus, both great and small
Disciples we must now create.
As we received our heritage,
In love we pass this great message.
