## 'The Christian's Life'

Submitted by Rev. Dr. Vincent Miller

*"Timothy, I thank God for you – the God I serve with a clear conscience, just as my ancestors did. Night and day I constantly remember you in my prayers (2 Timothy 1:3 NLT)."*

Author M Scott Peck reminds us that life is difficult. He writes, "Most do not fully see this truth that life is difficult. Instead they moan more or less incessantly, noisily or subtly, about the enormity of their problems, their burdens, and their difficulties as if life were generally easy, as if life should be easy... Life is a series of problems.... Discipline is the basic set of tools we require to solve life's problems (*The Road Less Traveled*. Pg.15)."

As we enter the year 2020, let us embrace the challenges that confront us. Let us carefully examine our options. Challenges are opportunities to show our devotion to Jesus.

Paul in his letter to Timothy expressed gratitude to God for his coworker. Paul writes, "Night and day I constantly remember you in my prayers (2 Tim.2:3 NLT)." Like Paul, we need to thank God for those he sends us to do the work of mission and ministry. God continues to invite us to join him in the transformation of the world. God is already at work. This year, let us be guided by the Holy Spirit of Jesus Christ to embrace all who seek to join us as we labor with God to seek and to save the least of us, and the lost for the kingdom of God. Bishop Woodie White invites us to, "Live your life in such a way that when you meet someone who does not know God, they will come to know him because they have experienced you."

#### Prayer:

*Dear God, at times we are overwhelmed with the challenges of life. As we enter this New Year, we pray for the guidance of your Holy Spirit to lead us so that we will not fear or faint when confronted by seemingly insurmountable challenges. We thank you for those who are traveling the road of life with us. Remind us that you have called us to a good work, and you will see us through to its completion. In Christ's name we pray. Amen.*

### Welcome to the Year 2020!

*For I am about to do something new. See, I have already begun! Do you not see it? I will make a pathway through the wilderness. I will create rivers in the dry wasteland. Isaiah 43:19 NLT*

How was 2019? Did you accomplish all that you had resolved to do? For me it was a mixed bag. But whether you achieved all or fell short, we have a brand new year to begin again and achieve more.

The prophet Isaiah, in addressing a people about to go into exile, gave them these words of comfort — no matter the difficulty they were going to face, God was going to be with them and in the end He was going to make all things new for those who trusted in Him.

Isaiah 43:2,3 say “*When you go through deep waters, I will be with you. When you go through rivers of difficulty, you will not drown. When you walk through the fire of oppression, you will not be burned up; the flames will not consume you. For I am the Lord, your God, the Holy One of Israel, your Saviour.*” Note he says “when” not “if” and as these words served to reassure the Israelites so they can also be a comfort to us.

This new year 2020 will indeed have its challenges, but when we stay in God's will He has guaranteed us that it will also have its triumphs, for we have a God who is faithful and He has promised never will He leave us nor forsake us.

The apostle Paul reminded the Church in Rome of this very thing in Romans 8:28 “*And we know that God causes everything to work together for the good of those who love God and are called according to his purpose for them.*” May we therefore enter 2020 walking in His will according to His Word with the assurance that whatever comes our way God has already made provision for it. Let us follow the One who knows the way and is the Way, for He will make a path in the wilderness and give us good success.

We therefore are looking forward to a blessed and prosperous 2020. Do you not see it?

### Happy New Year!

## Some Business Meeting Etiquette/Rules

### Free of distractions

- Switch your mobile phone off or to silent, without vibration on. Do not keep your phone on the table-top during a meeting; it can be distracting if it starts lighting up, moving around, or making noises.
- Avoid checking your email and text messages. Leave the room if you absolutely must take the call or return a text.

### Value Time

- Make notes in your booklet on the agenda, reports and statements beforehand on what you wish to address, and then ask at appropriate times.
- Contact each report-author prior to the meeting with any corrections or suggestions so they can be raised upfront in an orderly manner.
- During the meeting use the microphone, and speak clearly so that everyone hears what you are saying to avoid being asked to repeat.
- Be concise. Be relevant. Say what you need to say in as few words as necessary. Avoid repeating yourself or others unnecessarily, or providing unnecessary information.

### Be respectful

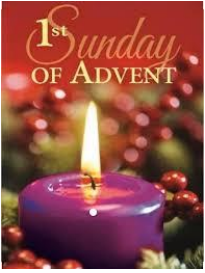

- Demonstrate mutual respect and value the strength of diverse input.
- Always address the chair. Raise your hand and wait to be recognised by the Chair before speaking.
- While someone is speaking, even if you disagree strongly, it is impolite to interrupt.
- Listen actively to what the speaker has to say. Chatter, even if it is whispered, can be distracting and cause you and others to miss essential information. Wait until they have finished before raising your concerns.
- Let your comments be meaningful to add value. If you disagree, propose a solution.

### Miscellaneous

- Stand when you are being introduced. Standing helps to identify you to those less familiar with your name.
- What has been discussed as confidential should remain confidential after the meeting is over.

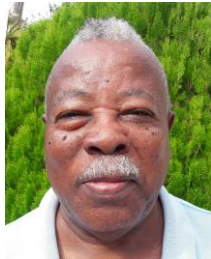

## Our Moravian Family News

### First Sunday In Advent – Birthday Celebrations

December 1<sup>st</sup> was the beginning of the Advent Celebrations leading to the coming of our Lord and Saviour, Jesus Christ in the form of a babe in Bethlehem in Judea.

In celebrating this day this year, the Bethlehem congregation also celebrated with two members of the congregation — Sis. Marva Alleyne (my Mum), and Rev. Alban St. Hill (*at right*), both of whom were born on December 2<sup>nd</sup>, though some years apart.

My Mum was celebrating her 80<sup>th</sup>, and so she took the

opportunity to celebrate it on the First Sunday in Advent with her Church Family. She invited her relatives and friends to join her at her home congregation Bethlehem to celebrate this significant milestone. She also invited her friends

and family to join her in monetarily contributing to the Church's Improvement Fund, and for this special envelopes were provided.

Both celebrants were given the opportunity to participate in worship and read the two Bible Lessons on the day. Mum read the first Lesson — Isaiah 2:1-5, while Rev. St. Hill read Mark 11:1-11.

Given the significant milestone for Mum, she took the opportunity to share her 80<sup>th</sup> birthday cake with the entire congregation — it was an great cake, but the children received slices of her rainbow cake — nicely packaged and tied with a pink, blue or red ribbon (*see picture of basket*). These gift packages were distributed by me (her daughter, Shelley), and our German-American family friend, Marina Gaetjens.

The singing of the Advent and Palm Sunday hymn in the traditional manner — the Hosanna Anthem, one of Mum's favourites — was lustily done by the congregation, and actually seemed to be everyone's favourite as well.

Rev. Hamblin invited all persons in good standing with their Lord and their own Church to join our Church Family in the Communion Service. Some of our specially invited guests, who joined with us on this day, accepted the invitation and fellowshipped with us at Lord's Table. At the conclusion, we joined hands around the sanctuary for the singing of the Lord's Prayer — "Our Father, who art in Heaven...". This was a very inspiring service and fellowship for all of us attending, and a wonderful way to celebrate God's gift to Mum of 80 years and counting.

### Conference Christingle 2019

The Moravian Conference - Barbados Conference held its Annual Christingle on December 1<sup>st</sup> 2019 at Calvary Moravian Church. The theme was "*Behold the Christmas Presence.*" and featured the Moramus Singers of Barbados. The narrating and dramatisation of the Christmas Story was done at intervals during the programme.

The sub-theme was "*Behold A Saviour.*" Major Alfred Taylor was the Conductor for the evening, and he also serenaded the audience with a beautiful piece on the violin.

The children performed the origin of the Christingle with the lightening of candles and reciting their several pieces which brought out their message to an appreciative audience. The programme concluded with the "*Hosanna Anthem*" — and all joined in as promised!

### Candle Light Service at Bethlehem

The candlelight service held on Sunday, December 8<sup>th</sup>, 2019 at Bethlehem Moravian Church was planned by the organist Bro. Winston Holford and his team — the Choir, and chaired by Sis. Cherryanne Ince. The officiating ministers were Rev. Roslyn Hamblin who gave the closing remarks and prayers, and Pastor David Ince the opening prayer and welcome.

## *Our Moravian Family News cont'd*

Following the welcome, the congregation was treated with songs, readings and dance, under the theme '**The Glory of His Coming**'. The carols were sung by the choir. Soloists were Sis. Shakita Smith, Sis. Lena and Sis. Claire Edwards, as well as Bro. Holford who also played the flute. Sis. Charlene Forde did the liturgical dancing. Between the performances were the readings done by Sis. Desma Linton, Bro. Maurice and Sis. Valrie Quintyne, Bro. Kevin Yarde, Sis. Verve Alleyne and Sis. Darlene Omier-Taylor and young Jade Walters.

Next was the candlelight procession where each worshipper lit his/her candle from a single flame originating at the front of the sanctuary. With lights

switched off, leaving the soft glow of the candlelight on the faces of the young and old alike, the worshipers sang carols while circling

the inside of the sanctuary, proclaiming Christ as the Light of the World. This was a beautiful and an unforgettable worship experience.

With candles extinguished, lights switched on, the closing song sung, the closing prayer and remarks terminated the service. The decorative lighting of the yard — compliments of Sis. Pamela Holder and her team, with the men as champions for the outdoors — was viewed and explored.

### *Island Council's Women's Fellowship's Christmas Party*

The Island Council's Women's Fellowship Christmas Party was held at the Cuthbert Pilgrim Memorial Hall at Bethlehem Moravian Church compound on Friday, December 12 from 7:00 pm.

This event, which was sponsored by the Island Women's Fellowship Conference, was attended by the members of the Fellowships of all Moravian Churches Women's Groups.

The party was well attended and enjoyed. Our complements to Sis. Ann Collymore our Caterer who provided a sumptuous dinner with our cultural Christmas Season dishes and local drinks (eg: Peas and Rice, Jug-Jug, Stuffing, Pineapple Sweet Potato Pie, Sorrel, Golden Apple), with other savoury dishes and beverages.

Entertainment was hilarious, as Sis. Desma Linton opened this section with a Christmas Poem generating much laughter from the audience. This act was followed by the arrival of Santa Claus' Elf, a vagrant dramatized by Sis. Yvette Cumberbatch-Chase, who Santa had charged with the responsibility of bringing Christmas Cheer in the form of gifts to the three (3) persons who were winners of the Karaoke Competition. The dramatization of her role and responsibilities, not to mention her mini outfit, provided great fun and laughter for us. The evening ended with members dancing to the music provided by Bro. Kevin Carrington and Sis. Claire Edwards. A good time was had by all, and we thank God for our Christian Fellowship.

### *Fulnec's 125<sup>th</sup> Anniversary*

On December 22<sup>nd</sup>, 2019 as we travelled to Watts Village, St George to celebrate the 125<sup>th</sup> Anniversary of the Fulnec Moravian Church, one notable change was that of the physical size of the church building – just one minor aspect of the change and growth over these 125 years.

The Church was beautifully decorated, as we celebrated the Advent Season. Rev Dr. Adrian Smith led us in worship as Rev. Delroy Burley blessed us with the Opening Prayer. There was the 125<sup>th</sup> anniversary Litany of Thanksgiving led by Rev. Roslyn Hamblin. The evening proceeded with lustily singing of hymns by the congregation, Bible readings by the youth of the church – Sis. Shakeila Brown (*Ps.89 vs 1-8*) and Sis. Khelia Best (*James 2 vs 14-24*). Pastor David Ince lead us in the Offertory Prayer and, not to be left out, the Church Choir rendered an uplifting selection; while small in number very big on delivery. Rev Vera Waithe delivered a moving, challenging and thought-provoking sermon. We were charged with the task of becoming selfless and being more to others, especially the less fortunate in our society. Most importantly, sharing God's Word and the gift of salvation to all.

As the evening came to a close, the late Sis. Veetland Jones came to mind as I imagined her 'beating the stuffing out of' her tambourine, as we sang "*Go Tell It on the Mountain*". Expressions of thanks were given and further fellowship continued. Refreshments and the special 125<sup>th</sup> numeric anniversary cake, created by Sis. Claire Edwards, was shared among those present. An exceptional evening.

Best wishes and continued growth to the Fulnec congregation. To God we give all thanks and glory.

## Resolutions! ? !

At the turn of a New Year we always hear about Resolutions, setting Goals, making Plans. It is certainly a good idea to set goals, whether you are one to make resolutions or not. Setting goals does not make what you desire come through just by setting them, but it does help you to focus.

So, what should your goals for 2020 look like? Pause for a moment and think about it! To help you, how about breaking your goals into meaningful categories and identifying goals which:

1. Focus on self
2. Focus on others
3. Focus on God

In business they challenge us to make our goals S\*M\*A\*R\*T (that is: **S**pecific, **M**easurable, **A**ttainable, **R**ealistic, **T**imely). Try it!

What have you come up with? Was that a meaningful exercise? But, wait a minute! Having gone through that process, do not discount it...but how about setting all that aside! Why? Have you asked God what your goal should look like? Have you asked Him what He really desires?

Before you make any New Year's goals, plans or resolutions, stop and ask what would Jesus want you to do with the time He is granting you this New Year!

Instead of rushing off with your own plans and ideas, let us just pause and pray about it and direct our focus on God and His desires – on pleasing God with every thought, word, decision, action, and attitude this year. Now that's a goal! A goal that can produce marvellous results towards "Advancing God's Kingdom" and paving our own journey to God.

- That's a goal that focusses on self — body mind and spirit!
- That's a goal that focusses on others — family, friends, acquaintances, and strangers!
- That's a goal that certainly focusses on Almighty God.

How about that for 2020?

Let me issue one more challenge to all of us — myself included! Do you remember a time when you and your family were all working together on one particular goal? How was that? What did it look and feel like? How was the outcome? Would you like to experience that again?

Why not encourage your entire family to join you in this goal – this goal of pleasing God with every thought, word, decision, action, and attitude in 2020? Pray about it, do your part, and leave the rest to Almighty God. Matthew 6:33 says *"But seek ye first the kingdom of God, and His righteousness; and all these things shall be added unto you."* Submitted by Sis. Verve Alleyne

## Prepare to beat the January Financial Blues

Does your bank account have a holiday hangover? Here are some financial tips to help get you through **Janu-worry**.

Instead of just lying awake at night worrying about how you will cope, or running up more debt at exorbitant interest rates, there are some positive steps you can take right away to help make ends meet:

- "Get real" about your financial situation. Get your bank statements and find out exactly how much money you have available for January. Then make a list of your essential or fixed monthly payments (like your rent, car repayments and insurance premiums), and a separate list of variable expenses.
- Pay the minimum amount required on all your fixed expenses, and your credit card account.
- Pay attention to your variable expenses list and see where you can cut costs, because this is where the money will hopefully come from to cover extras. (Eg: you might decide to reduce your cell-phone usage, cut out take-aways and restaurant meals in January; organise a car-pool with work colleagues; cash in any "points" you have built up on store-cards and rewards cards over the past year; and avoid any additional commitments like a new gym subscription until later in the year.)
- Buy only what you absolutely need right now.
- Make sure you always compare prices, even on relatively inexpensive items. Lots of little savings can add up to quite a big amount.
- You might be able to take on a part-time second job, or work on a "side hustle" (eg: start a Kitchen Garden project) that will benefit you all year round and bring in extra income that you can allocate specifically to paying off your debts.

## Some Burglary Prevention Tips

Most burglaries are committed when the home are left unattended. These culprits are mainly opportunists and they will take advantage of an easy target. Don't make it easy for them.

- ❖ **Install solid doors.** Outside doors should be metal or solid hardwood and at least 1¾ inches thick. Frames must be made of equally strong material and each door must fit its frame securely. A door chain and/or a peep hole can be considered.
- ❖ **Homeowners should consider erecting gates to their garages.** Keep garage doors closed and locked. Lock away securely all garden equipment, tools and ladders. Keep hedges low.
- ❖ **Secure sliding doors and windows.** Cut a broom handle to the length of the bottom track so that the window or door will not slide open when forced. Also, drill one hole through both casing and sliding window, and insert a nail or pin. Ensure louvre windows are properly secured. For additional security at these windows, consider installing burglar bars.
- ❖ **Secure sash windows.** To prevent wooden sash windows from being pried open, drill a downward sloping hole into the top of the bottom window through and into the bottom of the top window and insert a pin or nail.
